

CLIFFSIDE ELEMENTARY SCHOOL

Soaring Towards Excellence

Common Core Parent Resources

The Instructional Support Team has worked together to develop and make available resources for Math, English Language Arts, Science, and Social Studies for parents through a "Common Core Parent Resources" website.

To access this site, please navigate to:

<http://ces.rcsnc.org/>

Once on the site, you can access the resources in TWO ways:

1. On the right hand side of the homepage, under the Quick Links section, click on the "red schoolhouse" image.
2. At the top of the school's homepage, click on the "Resources" tab and then the Common Core Parent Resources link.

To navigate in the site, click on the appropriate grade level and then subject area. From there you can select the Module, Unit, or Concept being taught in class. You will be able to access specific lessons and/or resources.

If you have any questions or need assistance, please let your child's classroom teacher know.

** Please note that this site is a work in progress. **

Classroom teachers and the Instructional Support Team are continually looking for resources based on the Common Core State Standards and the North Carolina Essential Standards to enhance and enrich your child's educational experience, so make sure to check back often for updates.
